A Message Concerning The Coronavirus

At DiVieste's, we take the utmost of importance regarding the health and well-being of our customers. It is imperative during this time to use common sense approaches in preventing the spread of any illness. All of our food is prepared on-site through appropriate food-handling processes. Our facilities are cleaned regularly.

With the various limits on the amount people at a particular gathering many customers are concerned about events they may have scheduled. We are working with our customers to re-schedule any events that may be impacted by this temporary adjustment. Fortunately, we do have dates available throughout the remainder of the year.

Although we all are taking it day-by-day, we feel confident that by the end of April, things will start to improve. Our advice for anyone concerned is to keep moving forward until otherwise informed. It is important for all of us to see how this unfolds in the coming weeks. Concerned patrons should call, or email DiVieste's if adjustments need to be made.

During this time, DiVieste's will be open for normal business hours for appointments & tours of the facility. Appointments can be made by calling 330-847-7422 or by visiting our website, diviestebanquet.com.

At this time, we are still planning on being open for Easter Sunday. Reservations will be accepted from 12:00 pm – 3:00 pm. Our full menu is available on our website, diviestebanquet.com. Should something change, we will notify our customers.

We wish all continued health and to remain calm during this time of uncertainty.
